Day 1

We begin our journey to the Jersey Shore this morning with a cup of hot coffee and a snack served by a professional Bianco Tour Director. Dinner this evening is included before checking into our hotel in Frazer, PA for the remainder of the evening.

Day 2

Breakfast is included this morning before departing for QVC Studios for a guided tour. This tour is a one-of-a-kind walking tour through the fantastic world of electronic retailing. There are views

into the studio throughout the tour including a spectacular view from the Observation Deck standing 50 feet above the 20,000 square foot broadcast area where guests can watch QVC programs in progress and catch a glimpse of a favorite host. Following our tour, we depart for our final destination; Cape May, NJ. Upon arrival, we check into the **Marquis de Lafayette Hotel** located right on the Atlantic Ocean. Each room has an ocean view and either a balcony or patio. Surrounding the Marquis de Lafayette Hotel are century-old mansions and

↪ continued on back

homes that make Victorian Cape May a National Historic Landmark. Dinner will be included this evening at one of Cape May's popular restaurants.

Day 3

A continental breakfast is included this morning before departing on a **Trolley Tour of Historic Cape May**. This introductory tour will introduce us to the many cultural, historical and natural attractions on the island from Cape May Harbor to Sunset Beach. Following our tour, we enjoy shopping time and lunch on our own at **Washington Street Mall**, an outdoor mall featuring 25 restaurants and small local specialty shops. This afternoon, we will board the American Star ship for the **Cape May Whale, Bird and Dolphin Watch cruise**. This three hour adventure will take us on the search for Humpback Whales and other species of baleen whales including Fin, Minke or Right Whales. An on-board naturalist will guide all aspects of the tour identifying and educating us on marine mammal and bird species, any other wildlife sighted along the way, as well as historical structures and landmarks. Following our cruise, we return to the hotel for some time to freshen up before our included dinner at a locally popular restaurant.

Day 4

Another continental breakfast is included this morning before departing on a **guided tour to Cape May Point**, one of the most celebrated bird migratory locations in North America. We will

enter Cape May Point State Park and view the fully restored light house built in 1859 and take a stroll on the beach to see the World War II bunker located here. Then it's on to Sunset Beach where we see the sunken concrete ship "Atlantus". Following our tour, we will depart for a **guided tour of the Emlen Physick Estate** with an included lunch. Here we look back at the Victorian past of one particular Cape May family, the Physicks. Lunch will be included at the estate before returning to our hotel. The remainder of the day will be ours to enjoy. Relax at the hotel, stroll the beach, shop the quaint shops around the hotel and get some dinner on our own or join us for an optional trip to **Wildwood Boardwalk** in Wildwood, NJ. Wildwood is one of the most exciting places featuring 38 blocks of boardwalk with countless restaurants, bars, shops, live entertainment, attractions and more.

Day 5

After our included continental breakfast this morning, we begin our journey toward home. We will board the **Cape May - Lewes Ferry** that will take us across the bay from Cape May to Lewes, DE. On this 1-1/2 hour ride, we will cruise past historic lighthouses, picturesque harbors and see local wildlife. We will stop for lunch on our own before continuing on to our hotel in New Cumberland, PA for the night. Dinner is included at the hotel this evening at our leisure.

Day 6

Following an included breakfast this morning, we depart for home with warm memories of our vacation to the New Jersey Shore.
