# CLEVELAND ROCKS!

## Day 1

This morning we depart for Cleveland with a professional Bianco Tour Director. After a lunch stop on our own, we arrive at the **Rock and Roll Hall of Fame**. The Museum continually augments its own collection of thousands of artifacts with items on loan from artists and collectors from around the world. In addition to these items, the Museum's exhibits utilize film, video, interactive kiosks and, of course, music. After time to explore the museum in depth, we head to the **Great Lakes Science Center**. Great Lakes Science Center's mission is to make science, technology, engineering and math come alive. We'll have the opportunity explore the exhibits as well as tour the **William G. Mather Steamship**. Tour this restored 618-foot historic flagship and see what life was like on board a working Great Lakes freighter! We'll check into our hotel in the heart of downtown Cleveland and have time to freshen up for our dinner at **Valenti's Italian Ristorante** in Little Italy. Our authentic Italian dinner will not disappoint. If you still aren't ready to call it a night, the bus will make an optional drop off at **Jack's Casino** for anyone wishing to try their luck.

## Day 2

Breakfast is included this morning before departing on a **tour of Cleveland** with a local step-on-guide. Our guide will narrate as we traverse the streets of Cleveland and surrounding areas and see what makes Cleveland such a vibrant and exciting destination. Highlights include as many of the following areas as possible: Public Square, Playhouse Square, Euclid Corridor, Warehouse District, Gateway District, North Coast Harbor and University Circle. Our tour concludes at **Goodtime III** where we will have an included lunch at the dock before our 2 hour cruise. The best way to experience Cleveland is aboard the Goodtime III, the largest quadruple-deck, 1,000 passenger luxury ship on the Great Lakes. This sightseeing cruise provides one-of-a-kind views of downtown Cleveland, the Flats, the Cuyahoga River and Lake Erie. Next on our list is the **Cleveland Museum of Art**. Internationally renowned for its substantial holdings of Asian and Egyptian art, the museum houses a diverse permanent collection of more than 61,000 works of art from around the world. We make our way home this afternoon dancing in our seats from the rockin' good time we had in Cleveland.
