The Edsel & Eleanor Ford House tells the story of the home life of a prominent American family. The Fords were cultural, social and economic leaders in an era of great optimism, as well as a turbulent time of economic depression and world war. They were nationally prominent and they owned more than one house, but Southeast Michigan was their home. Here they built their final residence along the shores of Lake St. Clair, at a place known locally as Gaukler Pointe. Their impressive yet unpretentious home is where they raised and nurtured their four children (Henry II, Benson, Josephine and William) in a safe and loving environment.

The Fords wanted a setting for their home that provided both wide-open and intimate outdoor spaces, with special places for sports, relaxation, nature and gatherings. Jens Jensen, one of America's foremost landscape designers and conservationists, designed the Ford House garden landscape between 1926 - 1932. Known as the master of the naturalistic approach to landscaping, Jensen's design style combines woodlands, meadows and wetlands in such a natural way that guests are usually not conscious of any man-made design.

- **Lunch** - A Buffet Lunch will be on site and includes: Caesar Salad, Battered Silk Potatoes, Chicken Parmesan encrusted with lemon sauce, housemade rolls, coffee, Iced tea, lemonade, water and seasonal desert.
