Experience GRAND RAPIDS

Day 1

This morning we depart for the West side of our beautiful state of Michigan with a cup of hot coffee and a snack served by a professional Bianco Tour Director. Following a stop to get some lunch on our own, we arrive in Mears, MI for a 40 minute, seven mile guided ride on the **Silver Lake Dunes**. We will be guided by knowledgeable drivers who understand the history and environment of the constantly changing sand mountains. To climb to the summit and see spread in all directions such a vast panorama is breathtaking! Glide down the sweeps into the valleys, drive past sparkling Silver Lake and visit Lake Michigan's lovely beach! This afternoon, we check into our hotel in Grand Rapids with plenty of time to freshen up and relax before our included dinner at **Paddock Place**, a charming 19th century mansion. Following dinner the remainder of the evening is ours to enjoy.

Day 2

Breakfast is included at the hotel this morning before departing for **Frederik Meijer Gardens** for a guided tour and tram ride of the grounds. Experience masterpieces of art and nature that will delight your senses at one of the nation's premier horticultural display gardens and sculpture parks. The new Frederik Meijer

Gardens features several areas of interest contained in this Grand Rapids attraction. *Tropical Conservatory*: Five stories of shimmering glass; 15000 square feet filled with tropical plants from five continents. There's even a 14-ft waterfall! Visitors may walk along the bridges and waterway; it's a beautiful tropical environment, year round. *Meijer Sculpture Park*: Featuring more than 40 beautifully detailed bronze sculptures by world-renown artists. *Showcase Conservatory Complex*: The largest in the state of Michigan, and awaiting visitors all year round. Every month brings new surprises, from the Michigan "natives" outdoors to the botanical & art exhibits indoors. Following our visit, we depart for the **Grand Lady Riverboat** where we embark on a luncheon cruise on the Grand River. Along the river we can still see the evidence of logging towns and riverboat landings that dotted the landscape of West Michigan in the 1800's. The Grand Lady is constructed in the style of steamboats that served the communities along the Grand River during that time. Although she is a modern vessel, she has many of the characteristics which made the early steam powered riverboats so successful on the Grand. After our cruise, we depart for home making a non-included dinner stop en route.
