Day 2

Following breakfast on our own this morning, we depart for a tour of the **Ryman Auditorium**. This guided tour will lead us through more than a century of entertainment history. This National Historic Landmark was the home of the Grand Ole Opry for 31 year. Lunch will be on our own this afternoon along with some time to freshen up at the hotel before our guided tour of the **Grand Ole Opry House**. Walk in the footsteps of country music's superstars and get an exclusive look at what happens behind the scenes. Dinner is included this evening before returning to the **Ryman Auditorium** for this evenings entertainment. Unlike any concert, the Opry presents eight or more artists in each show giving the audience a sample of each artist's musical style. We will return to the resort following the show.

Day 3

Breakfast is on our own this morning before visiting the **Country Music Hall of Fame** and the **Music City Walk of Fame**. Shaped in the form of a musical note, this 35 million dollar 43,000 square foot museum has many hands on exhibits, historic music and films, and over 1 million pieces of country music history to view. Across the street from the museum is the Music City Walk of Fame Experience. a landmark tribute to those from all genres of music who have contributed to the world through song or other industry collaboration and made a significant contribution to the music industry with connection to the Music City. Stroll through the Music City Walk of Fame, find our favorite stars and take pictures. This afternoon, we make the journey from Nashville to Memphis, TN; the home of American Blues music. We'll check

into the **Guest House at Graceland**, home for the next two nights. Located on beautifully landscaped property, just a few steps from the gates of Graceland, this unique accommodation is inspired by the warm hospitality that Elvis always showed his guests. Dinner is included this evening at the hotel.

Day 4

An included breakfast greets us this morning before departing on a **tour of Memphis** with a local guide. The Home of the Blues comes alive as our guide tells us stories of the city's rich musical heritage while entertaining us with comedy, history and behind the scenes stories of our favorite Memphis personalities. Along the way, we see Sun Studio, Beale Street, St. Jude's Children's Research Hospital and early homes of Elvis, BB King and Johnny Cash. Lunch is on our own this afternoon in downtown Memphis before we make our way to **Graceland**, the home of Elvis Presley, where we'll have an audio guided tour of the Mansion all decked out for the holidays. We return to our hotel for relaxation time before departing for our included dinner at the Majestic Grill. Originally built in 1913 as a silent movie house, the restaurant gives diners a glimpse of the Hollywood days of old. The remainder of the evening is ours to enjoy.

Day 5

After our included breakfast this morning, we start our journey home. Before we go, we tour **Sun Studio**, known as the birthplace of Rock and Roll. Stand in the same place many of Rock and Roll's greatest artists performed and recorded.
