Day 1

Our journey to New England begins with a snack and cup of hot coffee served by a professional Bianco Tour Director. Massachusetts is poised for a year of national and international significance; the 400th anniversary of the Mayflower voyage and the founding of the Plymouth Colony. The Provincetown and Plymouth 400th anniversaries will highlight the cultural contributions and American traditions that began with the interaction of the Wampanoag and English peoples, a story that shaped the building of America. A scenic drive will bring us to our home for the first night in Lewisburg, PA. Upon arrival at our quaint hotel, we will have an included dinner. Be sure to get some rest as we are making our way to Cape Cod tomorrow.

Day 2

After an included breakfast this morning, we continue our journey to Yarmouth, MA; making rest and lunch stops en route for our comfort and convenience. Welcome to Massachusetts, the "Bay State" and the sandy shores of Cape Cod. In early November 1620, after two grueling months at sea, the Mayflower approached the tip of Cape Cod. For two days they tried

to sail south but the treacherous waters along the Cape's outer coast forced them to return to the tips safe harbor. We check into the **Red Jacket Beach Resort** in Yarmouth, MA this afternoon, our home for the next four nights. Perched on the waters of Nantucket Sound, a sweeping breath of private oceanfront beach awaits us. Dinner is included at the resort this evening after some time to relax.

Day 3

Breakfast is included this morning at the resort before departing for our first tour. A local guide will meet us at the resort. We will travel historic Route 6A, the **Old King's Highway**, a scenic byway winding through centuries of Cape Cod history. It winds past hundreds of historic structures which characterize its dearly development. View a windmill and a Cape Cod Lighthouse. Visit the **Cape Cod National Seashore Visitor's Center**. Hear the Pilgrim's stories of Corn Hill, First Encounter Beach, Pilgrim Spring and Pond and their First Landing site. Sand dunes and the ocean surround us as we approach "**Land's End**" - **Provincetown**. We are now at the extreme tip of Cape Cod. Formerly known as the "Province Lands" the Pilgrims landed here first before they

decided to settle across the Bay in Plymouth. The story started here in 1620 where the Pilgrims spent their first five weeks exploring Cape Cod. It was here that they signed the Mayflower Compact... the catalyst for American democracy. Lunch is on our own today in Provincetown before visiting the **Pilgrim Monument** and **Provincetown Museum**. This 255 foot tower that dominates the town is the tallest granite structure in the United States. The Provincetown Museum exhibits highlight the arrival of the Mayflower Pilgrims, the town's rich maritime history and the building of the monument. There is also a re-creation of a 19th century sea captain's parlor at home and his quarters at sea as well as a diorama of the Mayflower Compact being signed aboard the Mayflower in Provincetown Harbor. This afternoon, we travel to the "south side" of the Cape to the seaside village of **Chatham**. Here we will view the **Chatham Light**, which has been a lifesaving beacon for sailors throughout the Cape's history. Chatham's location at the Cape's "elbow" make it very vulnerable to winter storms and our guide will point out the Chatham Break and the dramatic changes to the shoreline that have occurred, thanks to Mother Nature. Admission is included to visit the **Atwood House Museum**. Built in the 1750's by Joseph Atwood, a Chatham Sea Captain, the "Old House" was occupied for five generations. The museum is a vibrant institution showcasing eleven galleries and a working Fresnel lantern from one of the historic Chatham Twin Lights. Dinner is included this evening at a locally popular restaurant.

Day 4

After another included breakfast this morning, we will again depart with a local guide for a full day of touring the first Cape Towns, **Hyannis** and **Sandwich**. All Cape Cod towns were founded by people unhappy with the Boston-area Puritans. The clan of Wampanoag Indians that lived here sold the land title. Over the next 20 years settlers spread north and south from Plymouth. The first parts of Cape Cod to be settled were the bay-side sections of Sandwich, Barnstable and Yarmouth (all incorporated in 1639), along an old Indian trail that is now Route 6A. Most of the newcomers hunted, farmed and fished. Salt hay from the marshes was used to feed the cattle and roof houses. Travel through Sandwich - the oldest town in Cape Cod. Hear stories of the Puritans, Quakers, Shawme, Dexter Grist Mill, Hoxie House and the First Church of Christ. Travel a short distance to America's Hometown - **Plymouth**. Home of our Pilgrim Fathers and one of the country's first settlements. A picture stop will be made at the Forefather's Monument, the largest solid granite monument in the United States. She stands facing the harbor, welcoming those who come by water. There will be

free time for lunch on our own on the waterfront. On our coach, the guide will conduct a **tour of the area** viewing historical sites like the Governor William Bradford Statue, Hedge House, Pilgrim Mother Statue, Coles Hill, Massasoit Statue, Immigrant Monument, United American Indian of New England Plaque, Pilgrim Maiden Statue, Howland House, Spooner House, 1820 Courthouse, Pilgrim Sarcophagus and the Mayflower Society. Admission is included to the **Plymouth Plantation**, the first permanent European settlement in Southern New England. It is the site of a living museum dedicated to recreating 17th century life ways in the New World with the Wampanoag's. Step back in time as costumed interpreters portray residents of the colony. A traditional turkey dinner with all the fixings is included at the Plantation. During dinner we will enjoy a "Dress A Pilgrim" demonstration.

Day 5

After our included breakfast at the resort, we will once again join a local guide and travel to Plymouth. Photo stops will be made at **Plymouth Rock**, the traditional site of disembarkation of the Pilgrims and the Mayflower II, a reproduction of the ship that brought the Pilgrims to the New World. We'll visit **Pilgrim Hall Museum**. Built in 1824, this gallery museum is the nation's oldest continuously operating public museum. Pilgrim Hall houses an unmatched collection of Pilgrim possessions. We will have time for lunch on our own here in Plymouth. This afternoon, we board a **Lobster Tales Cruise** to learn about the many creatures that live-in Plymouth Harbor. Experience a "hands on" approach to see how lobsters are harvested from their natural environment. The naturalist will teach us about the food from the oceans as the Wampanoags taught the Pilgrims. We return to our resort this afternoon. Dinner will be on our own at one of the restaurants near the hotel. Our guide will offer suggestions for the group.

Day 6

We depart this morning after our included breakfast and begin our journey toward home overnighting in the Finger Lakes region of New York, known for its distinctive wines and beautiful scenery. Dinner is included this evening at a lovely restaurant on the edge of Owasco Lake, one of the most beautiful bodies of water in the Finger Lakes region.

Day 7

After breakfast on our own this morning, we will complete our journey home making rest and meal stops en route for comfort and convenience.
