Guided tour of Boston Edison Historic District - The

Boston-Edison Historic District is an instantly recognizable address in the heart of Detroit, containing over 900 homes. Most homes were constructed between 1905 and 1925 and range in size from modest two-story venaculars to impressive mansions. Early residents of Boston-Edison include Henry Ford, James Couzens, Horace

Rackham, Sebastian Kresge, Joe Louis, Willie Horton and more! Many of the houses are eclectic, combining elements of various styles. Houses are constructed of genuine natural materials, many of which are not available today or are too expensive to use in new construction. Architects designed each home individually. Skillful craftsmen built them by hand.

Andiamo Riverfront (included lunch) - Enjoy exciting downtown Detroit at the water's edge in the beautiful GM Renaissance Center Wintergarden.

Free Time at Detroit's River Walk - Located at Rivard Plaza, it is home to many Riverfront Highlights, including the Cullen Family Carousel, an in-laid granite map of the Detroit River, a standing glass sculptured map of the St. Lawrence Seaway, fountains and gardens.

Leon & Lulu's - Set in the historic Ambassador Roller Rink in Downtown Clawson, Leon and Lulu offers one-of-a-kind, high-end and custom furniture as well as a spectacular collection of gifts, accessories and women's clothing.
