Day 1

We begin our journey to Virginia greeted by a professional Bianco tour director and driver. We'll work our way to Arlington today with rest stops and meals on our own and arrive at the Hampton Inn of Frederick ready to begin our tours tomorrow.

Day 2

After an included breakfast at the hotel we will head to **Mount Vernon**, the historic estate of the country's first president George Washington. We'll step into the home that George Washington shared with his wife Martha. Walk the grounds to visit George Washington's four gardens and more than a dozen historic outbuildings. You can also visit George Washington's tomb, the slave memorial, a working farm, and more. Lunch will be on our own at the estate. Next, we'll make a stop in Richmond at the **Museum of Fine Arts**. The museum boasts more than 5000 years of art from around the world including the 2nd largest collection of Faberge' eggs. After checking into our waterside hotel in Norfolk for the next two nights, we will enjoy an included dinner at **Stripers Waterside**, directly on the riverwalk next door to our hotel.

Day 3

We'll enjoy a more relaxed pace today to explore Norfolk. This waterfront city is home to the Naval Station Norfolk, a massive naval base on the Chesapeake Bay and to the Nauticus maritime museum which includes the WWII Warship Battleship Wisconsin. Breakfast is included at the hotel this morning and there is time to explore the waterfront before boarding the **Victory Rover** boat ride for a two-hour narrated tour of **Norfolk Naval Base**. From a vantage point aboard ship, we'll witness the majesty of the Navy's aircraft carriers, nuclear submarines, guided missile cruisers, and other vessels that make up the world's most powerful sea-going armada. With lunch on your own we will have the afternoon to explore the Nauticus museum, Battleship Wisconsin and the riverwalk area. Dinner is included tonight at the **Mermaid Winery** which boasts over 800 different wines from around the world and their own locally produced wine as well.

Day 4

Breakfast is included at the hotel this morning before we begin our tour of **Richmond, Virginia**, the state's capital. A local guide will greet us and show us the highlights of Richmond, including St. John's church (where the famous "give me liberty or give me death" speech occurred), Capital Square and Monument Avenue. We'll enjoy lunch and some shopping time on our own this afternoon before joining the **riverfront historic canal cruise**. After checking in to our hotel this evening, we will enjoy our included dinner at the **Savory Grain Restaurant and Draft House**.

Day 5

Breakfast is once again included at the hotel this morning before we depart for **Monticello**. Monticello was the home of Thomas Jefferson, author of the Declaration of Independence and third president of the United States. It is an architectural masterpiece which also includes access to the mansion, grounds, and gardens. Lunch today is included at **The Michie Tavern** where servers in period attire offer bountiful 18th century fare. We will also have time to explore some shopping opportunities before continuing our journey. Our next stop is **White Hall Vineyards** which boasts over 48 acres under vine. We will tour the winery and sample four wines. Our final stop for the day is the largest antique mall in America. The **Factory Antique Mall** has over 135,000 square feet on one floor. The Mall has played roles in set dressing for the period film "Lincoln" and the AMC series "Turn". If you are looking for a period masterpiece or a collectible gift they have a wide selection of merchandise. We will check into our final hotel and have dinner on our own this evening in downtown Staunton - a delightful small town with tiny specialty shops.
